Current laws do not include are not available concerning crimes committed through subliminal and other "mind controlling methods". This and some other techniques are being used against everyday citizens to surveillance activity in private locations and dwellings outside of camera usages in public places without their permission.

I and others have become human U.S. "TARGET" with government and military equipment that should be used against terrorist. This has occurred for multiple reasons due to whistle blowing against a federal agencies management criminal activities that have been allowed known or unknown of their involvement against me and other federal employee's.

I have contact the FBI more than 70 times including via email to report cybercrimes and hacking my email accounts

at exempt 6 .com. Crimes committed against other was inter nally cause to distract the appearance that I was the only person reporting these crimes because prior to my reporting other were and still remain "FEARFUL OF THEIR ATTACKERS".

I have been deprived the ability to live my life because of interference from individuals in my personal and professional life "getting onboard" with those that opposed my filing of EEOC complaint against U.S. EPA because of management personnel Candida Cook West and Cathy Murphy involvement with my previous Program Manager Sharlyn Lynette Simons aka Lynette Brackett of the U.S. Department of Labor National Farm Labor Certification Office. Other involvement committing and recruiting other to participate in these crimes against me that I continue to report. Included with the name listed above are Alu Dunwoody, Carol or Carolyn A Dailey, Derrick S. Dailey or someone that has assumed this name, Carrie S. Hood aka Carrie Hood aka Barbara S. Jordan aka Barbara Jordan from the Maryland, Virginia, DC area. Pastor E. Dewey Smith of the Greater Travelers Rest Church and members as well as Reverend Randy L. Jordan and some of the Lighthouse Baptist Church members.

I have no resources other than a food stamp card and what other give me; I have broken down by this sick intrusions to almost complete isolation. I have filed complaint with Congressman John Lewis office and continue to amended criminal activity against me.

April 25, 2014

Greetings to all,

This communication serves as official information being reported of criminal activities beginning 2010 to current by high ranking officials in federal, state, and local government. The stalking, harassment, invasion of privacy, abuse of authority, and the lack of professionalism in their specific authority of expertise. Since, my awareness of extreme level of criminal activity towards me and others that I know. One of the major issues exist is hidden abuse (multiple subliminal messaging). That law enforcement is untrained to handle when complaints are presented. I have experience and witness others be exploited by all levels of government and church leaders.

On numerous occasions I have reported repeatedly activities that have gone uninvestigated and have been allowed to continue at the expense of jeopardizing human life and violating civil and human rights. I communicated this following individuals, groups, and organizations via email, telephone calls, text messages, and mail correspondences:

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

SEP - 9 2014

OFFICE OF
CIVIL RIGHTS

The Honorable John Lewis
House of Representatives
Washington, D.C. 20505-1005

Dear Congressman Lewis:

Thank you for your April 29, 2014 correspondence on behalf of your constituent *exempt* with respect to alleged discrimination at the Environmental Protection Agency (EPA). The Office of Civil Rights (OCR) has been asked to address this matter.

exempt a former employee at the Atlanta Regional office was terminated from her employment with the EPA on September 30, 2011. *exempt* filed a formal equal employment opportunity complaint on May 4, 2011. That complaint was investigated during the period June 25 to September 9, 2011. On April 27, 2012, the EPA provided *exempt* a copy of the Report of Investigation with instruction on her options to request a hearing before the Equal Employment Opportunity Commission (EEOC) or request a Final Agency Decision (FAD) by the EPA. *exempt* requested a hearing before the EEOC on July 30, 2012. On August 24, 2012, the Atlanta District Office of the EEOC acknowledged receipt of *exempt* request for a hearing.

On January 9, 2014, the Atlanta District Office of the EEOC issued a Scheduling Notice and Order. The Order established a hearing date of April 29, 2014, at 8:30 a.m., at the Atlanta office. The Order also established a Pre-Hearing telephone conference for April 22, 2014, at 10:00 a.m. A Certificate of Service attached to the Order indicates the Scheduling Notice and Order was sent, via First Class Mail, to *exempt*. The Order stated that pursuant to 29 Code of Federal Regulations, (C.F.R.) § 1614.107(a)(7); 109(b); 109(f)(3), the complaint could be dismissed for failure to attend any scheduled event.

On April 22, 2014, Administrative Judge (AJ) Philip Davi, Atlanta District EEOC, issued a Dismissal of Hearing Request pursuant to 29 C.F.R. 1614.109(b). AJ Davi cited in the dismissal order that "...Complainant failed to respond to the Scheduling Notice and Order. Nor did she appear for the pre-hearing conference." AJ Davi directed the EPA to issue a FAD without a hearing.

The EPA is currently reviewing the Report of Investigation to prepare the FAD in accordance with federal guidance. A copy of that decision will be provided to *example* along with her option to appeal if she disagrees with the decision. We are unable to address any of the other civil or employment actions *example* describes in her letter.

Again, thank you for your inquiry. If you have any questions, please contact me or your staff may contact Christina Moody in the EPA's Office of Congressional and Intergovernmental Relations at (202) 564-0260.

Sincerely,
